Notice & detail of schedule

Drone Workshop by
“CerebroSpark Innovations”

Date – 8th - 10th May 2023

About CerebroSpark Innovations

- ◆ CerebroSpark is a drone innovation company located in Pune, India, founded in 2018 with the goal of creating cutting-edge drone technology for various industries. They design and develop drones for applications like aerial photography, mapping, agriculture, inspection, and provide drone services like aerial photography, surveying, and inspection. CerebroSpark prioritizes safety and adheres to all regulatory requirements to ensure the reliability and effectiveness of their services. They aim to revolutionize the drone industry in India and establish themselves as leaders in the drone innovation space.
