Effective Curriculum Delivery

TSSM's Bhivarabai Sawant College of Engineering and Research is affiliated to Savitribai Phule Pune University, Pune. The institution ensures **effective curriculum delivery through a well-planned and documented process** and strictly follows university prescribed syllabus and accomplishes academic excellence & professional capability by following academic flexibility measures.

- Before each academic year, brainstorming sessions are conducted by IQAC along with HoD like Experiment, Explore and Enhance as per the guidelines given in IQAC meeting held on 02nd June, 2021. It helps to elaborate teaching-learning activities to the students with reference to the outcomes of the previous academic year.
- Dean Academics prepares the academic calendar and approves Time table and Teaching Plan prepared by faculty members each semester and monitors the sessions conducted by faculty members which includes co-curricular activities also.
- The progress of teaching-learning is regularly discussed in IQAC meetings along with HOD and Principal and highlighted in Parent-Teacher's meetings.
- Various Pedagogy in teaching such as blended lecture methods, collaborative learning, Project based learning (PBL), Experiential learning, ICT, Computer Based Learning (CBL), Self-Directed Learning (SDL) Like completion of Electric Vehicles training by the students in industry sponsored EV Lab, Flipped Classroom are utilized alongside traditional methods like 'Chalk and Talk'.
- At the commencement of academic year, an Orientation Programme for the students is organized to acquaint students with examination, learning and other support system, institutional code of conduct etc.

The **academic calendar** includes commencement of classes, In Semester and End Semester Examination, general holidays, Internship, CIE, project work presentation, alumni meet, NSS camps, Guest lecture from the industry persons and academicians, project exhibition, seminars, workshops, FDPs, Cultural programs, sports activities, days of national importance, conferences and other co and extracurricular activities, etc. Faculty prepares well defined teaching Learning and Assessment (TLA) Plan in line with the academic calendar and the Class Timetable which includes curricular and co-& extra-curricular activities. TLA Plan is made available to the students through the portal for their reference and planning.

HODs ensures to follow standard procedure to run the courses and ensures the syllabus coverage as per TLA plan for all the courses handled by the faculties.

Continuous Internal Evaluation (CIE) is conducted as per guidelines of university. Each department has Academic Monitoring Committee (AMC) for monitoring standards of evaluation process. The CIE is employed through various direct tools like assignments, online multiple choice questions, unit tests, Mock orals and In-semester examination. Whereas indirect tools like quiz, discussions, competitions are used Faculty is supposed to guide the students to achieve the expected outcome, program specific outcome along with course outcome. Such practices bring transparency in assessment and boosts confidence in students. Students Grievance Redressal Cell work for the grievances of students. Feedback is taken periodically from all the stake holders which helps institution to understand the scope for improvement in curriculum and process. Academic audit is conducted each semester to monitor efficiency of the academic process.

The academic activities are displayed on notice boards and website regularly for immediate information.
